■ Umeshu & Sparkling Sake

Yuzu High-Ball 330 ml / 6% 26

A highly refreshing light sparkling sake with the distinct taste of yuzu. Perfect on its own, or as a pairing with fried food.

Hana Awaka Sparkling Sake 250 ml / 7% 26

This sparkling flower is a refreshing, fizzy, low-alcohol sake. Light and pleasant, this bubbly sake is just perfect for brunch and after-work drinks. Its mild sweetness and acidity makes it a perfect match for sweet dishes and desserts and as a pre-dinner aperitif. Served very well chilled, it is also delicious on its own.

Kirei Umeshu with Collagen 300 ml / 7% 39

The liqueur drink is made from Japanese plums, has a mellow taste and is infused with 300 mg of collagen in each bottle, thus helping to rejuvenate the skin. Brewed with famously pure Fushimizu water which gives it a smooth texture, this Umeshu is both unique and delicious.
